As a partner, I understand the following terms:

1. Someone will be the point of contact for the Hydropower Foundation at the school(s) your organization intends to partner with.
 - a. A designated representative will participate in coordination and planning meetings on a regular basis.
2. **Partner** will support financially and through volunteer time supporting student clubs.
 - a. Provide presentations from waterpower community professionals.
 - b. Participate in 3-day Hydro Think Tank™ mini competitions.
 - c. Provide support during career fairs annually.
 - d. Contribute 3-5 individuals to review student applications for scholarship awards.
 - e. Cover own labor and expenses for all volunteer participation with waterpower clubs, Hiring for Hydro™, and Hydro Think Tanks™

3. **Partner** will create opportunities for internships, visits to hydropower and marine energy facilities, and hands-on experiences wherever possible with students.
 - a. Be available to provide career training and mentoring, as requested.
 - b. Provide internship and cooperative education opportunities and advertise through the Hydropower Foundation internship website.
 - c. Provide opportunities to tour projects or offices related to the waterpower community and assist in coordinating and organizing.
 - d. Create an overview of your organization for the Hydropower Foundation’s internship portal and have a link to your company’s job opportunities.

WC² Partners that are Small NGOs (less than 15 staff) or Independent Educators will be expected to provide:

- Someone who will be the point of contact for the HF at the school your organization would like to support.
- Partner will provide volunteer time supporting student clubs.
 - An intention to create opportunities for internships, visits to hydropower and marine energy facilities, and hands-on experiences wherever possible with students.

I have read and agree to the terms and conditions outlined in the partnership agreement.
